

THE AMERICAN HEART ASSOCIATION

congratulates all

SOUTH FLORIDA COMPANIES

that have received

FIT-FRIENDLY WORKSITE RECOGNITION

This workplace has been recognized
by the American Heart Association
for meeting criteria for employee wellness.

Platinum Recognition:

Good Samaritan Medical Center - Palm Beach County

The GEO Group, Inc. - Palm Beach County

Solstice Benefits - Broward County

Worksite Innovation Award:

Gunster - Palm Beach County

Inktel Contact Center Solutions - Miami-Dade County

Community Innovation Award:

Nova Southeastern University - Broward County

Designed to be a catalyst for positive changes in American business, the Fit-Friendly Worksite Program recognizes employers who champion the health of their employees.

Studies suggest that implementing a worksite physical activity program and promoting a culture of physical activity helps companies:

- Increase productivity
- Reduce absenteeism
- Lower turnover
- Lower healthcare costs

The next deadline to submit your company for Fit-Friendly Recognition is January 31, 2013
